

Enter new relationships with confidence

Screen and visualize connections
to safeguard your business

Your one-stop solution for sanctions, Politically Exposed Persons (PEPs) and negative news

LexisNexis® WorldCompliance™ Online Search Tool enables you to manually screen prospective clients and perform enhanced due diligence using one of the industry's most extensive financial intelligence databases. Our risk profiles are updated daily by our global network of analysts to produce recent and encompassing risk relevant information.

WorldCompliance Online Search Tool delivers:

Industry-leading information

- Get coverage of more individuals and entities than any other provider at an unsurpassed level of detail
- Link to our database of over 4 million individuals and companies in more than 50 risk categories and subcategories, such as sanctions, money laundering and PEPs
- Receive more data points per profile than from any other provider—portrait photo, full summary of intelligence, diagram of connections to relevant family members, business partners and more
- Access to robust financial intelligence from over 30,000 trusted and reputable sources

Regulatory and compliance tools

- Leverage services which help you conform to more than 100 anti-terrorism and money laundering laws, including the USA Patriot Act, the 5th EU Anti-Money Laundering Directive and Financial Action Task Force (FATF) guidelines

- Tailor your investigative parameters to your specific requirements and deliver printable results that are meaningful and actionable, demonstrating a thorough compliance program

An intuitive, relevant approach

- Save time and money with our easy-to-use web based interface
- Get fast access—no software to install and dashboards and reports that are already prepared
- Link effortlessly to profiles in our database of over 4 million entities each of which falls into one of more than 50 risk categories such as fraud, terrorism, money laundering and drug trafficking
